WINMAR® IN THE COMMUNITY FOR OVER 40 YEARS

1977

Paul Wormith and John White open the business in Sarnia, Ontario.

1980

Paul and Winifred Wormith and Margaret and John White before expanding to London, Ontario.

The first job in Sarnia, Ontario.

1977

John White and Paul Wormith present Peter Douwes of WINMAR® Kitchen/Cambridge with a ten year service ring.

1987

WINMAR® is a proud supporter of the local Salvation Army, and communities throughout Canada. When disaster strikes, the Salvation Army is often already there living in the community and is able to provide immediate aid and relief in the most culturally relevant way. It also means the Salvation Army will still be there long after the immediate needs have been met.

1998

The Ontario Insurance Adjusters Convention in Kingston, Ontario.

2016

Growing with over 90 locations and over 1500 employees.

An insurance magazine recognizes that franchising is key to WINMAR®'s growth.

2008

This year marks our 40th anniversary in business as we cross another milestone in the history of our company.

ENVIRONMENT AND CUSTOMER SERVICE

.....

COMMUNICATION

.....

At WINMAR® we believe that exceptional customer service does not have to come at a cost to the environment. This starts with communication. Your WINMAR® representative will communicate virtually to minimize environmental impact from operations. We will also source material and work with vendors in ways that reduce our footprint.

POLICY

.....

It is WINMAR®'s policy to operate our business as a responsible corporate citizen, committed to our community and detailed environmental management. Our focus on the future extends to the responsible selection of our fleets, including consideration for the sources of power used by our equipment. We also strive to reduce the amount of debris sent to landfills by using green products and through the restoration of our customers' personal items whenever possible.

OUR SERVICES

.....

Our services include water damage services, fire and smoke restoration, mould inspection and remediation, asbestos remediation as well as disaster recovery and deep cleaning. We are also experienced in construction, renovation, and demolition services.

WE EXCEL ACROSS RESTORATION NICHES

.....

WINMAR® has highly specialized project managers and professionals to take care of virtually any project. Combined with our fleet of specialized equipment and tools and our decades of experience serving Canadians, we are well-placed to lead restoration projects across Canada.

Cleaning Possessions

WINMAR® provides specialized equipment and trained technicians to process, clean and disinfect your contents to pre-loss condition.

Commercial Loss

These types of losses can only be handled by a team with the assets, human resources, tools, and years of expertise that WINMAR® has.

Emergency Planning

We will work with you and your staff to prepare for the unexpected, no matter what comes your way.

General Contracting

From modest kitchen or bathroom restorations to large-scale developments, WINMAR® has the capabilities to coordinate, build, and finish your project.

Biohazard Remediation

Our specialty biohazard remediation technicians are professionally trained to conduct a site inspection, contain the area, and properly remove and dispose of biohazard materials.

Deep Cleaning

WINMAR® virus cleaning services help ensure your surfaces are free from viral pathogens. Prevention is critical when there's an epidemic that could severely impact personal health.

Disaster Cleanup

At WINMAR®, we take every event seriously. Our professional property restoration specialists will work with you to fully restore your building to its normal operating condition.

OVER 90 LOCATIONS AND COUNTING

.....

THE WINMAR® TEAM

.....

Our crews offer prompt and professional service to help our customers get back to pre-loss life with the least amount of interruption and associated costs as possible.

Losses can come in any size, shape, or form, but the most difficult to deal with are large and complex losses. These types of losses can only be handled by a team with the assets, human resources, tools, and years of expertise that WINMAR® has.

SPECIALIZATION AND CERTIFICATIONS

.....

Our employees receive extensive training and industry certification through IICRC and CCRN as well as training on estimating using Xactimate and Symblity. Throughout the years we have invested in equipment and have one of the largest inventories of drying equipment in Canada ready to use at a moment's notice. We have created solid relationships with vendors, suppliers, and sub-contractors in our service areas allowing WINMAR® to maintain prompt and professional service in all aspects of construction and restoration. WINMAR® is considered an expert in fire, water, wind, mould and disaster restoration.

INSURANCE CLAIMS

.....

If your damage is subject to an insurance claim, it is important for you to know that all questions regarding your policy coverage should be directed to your insurance representative. WINMAR® will contact you after receiving notice of your damage, and arrangements will be made to meet with you. If work is needed, a WINMAR® crew will be deployed to your premises to begin repairs and/or cleaning.

WHAT TO DO?

.....

Feel free to contact your WINMAR® project manager at any time via telephone, email or text. Should your project manager be temporarily unavailable, please contact your local office. Your call will be answered by one of our customer service representatives who will be more than happy to assist you.

LARGE LOSS TEAM
