Government Facilities trust WINMAR®'s skilled restoration teams to respond quickly and confidently—ensuring buildings remain safe, operational, and ready to serve the community with minimal downtime. WINMAR® serves as a single point of contact across multiple municipal departments, streamlining communication and coordination on every project.

Fire, Water, Wind Restoration

- Smoke, soot, debris, ash and odour neutralization
- Complete restoration after flooding, sewer back-up, burst pipes or plumbing overflow
- Rapid-response for property damage caused by wind, hail, lightning, ice storms, tornadoes, or hurricanes

Mould Remediation

- Detection, testing, identification, removal and treatment of mould
- Implement moisture controls and treat affected areas with anti-microbial agents
- IICRC Certified technicians safely contain and remove damaged materials

Asbestos Abatement

- Complete certified asbestos abatement services, safe removal, expert site inspections
- Ensure property is safe from harmful airborne fibres or any cross contamination

General Contracting

- Full-service contracting, construction, demolition, and restoration
- Interior and exterior projects (*roofing, windows/doors, millwork, plumbing, electrical, painting and finishing*)

Biohazard Remediation

- Certified biohazard cleanup, remediation, safe disposal of hazardous materials
- Specialized response for hoarding, death and trauma scenes, following strict protocols
- Complete clean and disinfection for housing/unit turnover

SPECIALIZED EQUIPMENT

Coming Through For You!

Mould growth can present as stains or discolouration on floors, walls, window panes, ceiling tiles, fabrics and carpets.

FACILITY RENEWAL AND MODERNIZATION

RELY on WINMAR® to not only restore your property following an emergent event but also to lead your next renovation project—whether it's individual offices, entire facilities, or public-facing areas. Our skilled and experienced teams provide comprehensive contracting services from initial concept to final interior installations.

WINMAR® uses environmentally responsible cleaners to neutralize odour and remove dangerous toxins.
